

Postnatal recovery yoga for Mums & babies

With Bernadette King, BWYDip, ITECDips APM & IHM, FEDANT registered 11790

Please visit www.peacefulpractice.co.uk for full details about this course.

These informal, supportive classes are the perfect way of gently toning muscles, particularly the pelvic floor and abdominals, realigning and strengthening the pelvis as well as offering effective relaxation techniques to revive your energy levels. They can also help with Diastasis Recti and recovery from C sections.

Babies are not just left to their own devices and are included in some of the practices as well as enjoying the songs and passive stretches mums do with them. The classes are ideal for sharing the joy of yoga with your baby from a very early age.

The classes are a great way of linking up with other local mums & babies in a friendly environment and the classes are small so that you receive personal support. Babies who need to feed, be changed or cry are all very welcome! We always end the classes with relaxation and as your baby recognises these vibrations in you it helps them also to relax.

Suitable for mums with babies up to 6-7 months.

"This lovely class educated & supported me in my return to a "non-pregnant" body. The atmosphere is relaxed, even giving us techniques to help with teething, colic & other common complaints. Bernadette uses fun songs & routines to involve the babies in the yoga. Highly recommended."

Laura
